Instructions

Subject Priorities for FBI Arrest or Locates:

- A - Subject wanted for crimes of violence (i.e. murder, manslaughter, forcible rape, robbery and aggravated assault) or convicted of such crimes in the past five years.
- B - Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years
- C - All others

Claiming Non-Federal Arrests, Summonses, Recoveries or Convictions:

It is permissible to claim a local arrest, summons, recovery or conviction if the FBI significantly contributed to the accomplishment. A succinct narrative setting forth the basis for the claim must accompany this report. When claiming a local recovery, enter the word "LOCAL" to the right of the amount. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for capital punishment sentences.

Reporting Convictions:

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

1. The subject becomes a fugitive after conviction but prior to sentencing.
2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

Investigative Assistance or Techniques (IA/Ts) Used:

- Since more than one IA/T could have contributed to the accomplishment, each IA/T used must be rated.
- The IA/T used must be rated each time an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

C = Chinese; I = Indian/American; J = Japanese; N = Negro; O = All other; U = Unknown; W = White
